

From the Principal's Desk

November 3, 2024

Greetings, IHC families,

As we move into a new month, we look back to the previous month with gratitude for all who help IHC's mission. I am grateful to our priests, Fr. Demo, Fr. Natale, and Fr. Conger and all our other parish priests who help us to encounter Christ in the sacraments. We are blessed to have such wonderful priests who have dedicated their lives to help bring others closer to God!

This week is Vocations Awareness Week. It is an annual week-long celebration of the Catholic Church in the United States dedicated to promoting vocations to the priesthood, diaconate and consecrated life. We give thanks to God for all our holy men and women who serve as priests, deacons or as consecrated religious. May ours be a community of faith that supports vocations in our youth and young adults.
