High School Mathematics Material List:

Algebra 1 and 2:

Notebook

Loose leaf folder

Pens, Pencils

Graphing calculator (Required for NY State Regent's examination. Students greatly benefit from having their own in order to become familiar with it. The same calculator can be used for all high school and collegiate math courses. A list of approved calculators for NY State Regents exams is listed at the bottom.)

Geometry:

Notebook

Loose leaf folder

Pens, Pencils

Compass (Recommend a compass with a locking system and threaded wheel. Compasses without a lock or threaded wheel have a tendency to loosen up making it difficult to use.)

Graphing calculator (Required for NY State Regent's examination. Students greatly benefit from having their own in order to become familiar with it. The same calculator can be used for all high school and collegiate math courses. A list of approved calculators for NY State Regents exams is listed at the bottom.)

Approved Calculator List:

- Texas Instruments TI-73
- Texas Instruments TI-83
- Texas Instruments TI-83 Plus
- Texas Instruments TI-83 Plus Silver Edition
- Texas Instruments TI-84
- Texas Instruments TI-84 Plus
- Texas Instruments TI-84 Plus C Silver Edition
- Texas Instruments TI-84 Plus CE
- Texas Instruments TI-84 Plus Silver Edition
- Texas Instruments TI-Nspire Handheld with the TI-84 Plus Keypad

The Nspire calculators tend to be much more expensive than the older TI models. They are capable of many more operations than the TI-83/84 models, however, those additional capabilities are not used in Algebra 1, 2 or Geometry.
