

OUR GOALS

To create a greater sense of community among parents, students and staff based on the love of Christ so that we can truly be one in Him.

To ensure more collaboration among teachers and to provide an education based on continuity so that students' individual needs are met and all are successful.

To become more financially efficient as a school system.

To provide families in our community a choice when it comes to the education of their children.

EVERY GIFT MAKES A DIFFERENCE

The goal we hope to achieve is \$500,000.

Your gift, no matter how large or small, will make a difference.

If you give because you are an alumnus
- **It matters!**

If you give because you are a new family to our school and believe in it
- **It matters!**

If you give because your children are alumni
- **It matters!**

If you give because your grandchildren are students at IHC
- **It matters!**

If you give because you BELIEVE in IHC and the choice it provides
- **It matters!**

We would deeply appreciate any gift you are able to give.

Finishing THE TASK

Parents, faculty and staff have all played a role in the planning of this transition. They have had an opportunity to share their ideas, thoughts and opinions. In addition, Bishop LaValley, Sister Ellen Rose, our Superintendent of Schools, and Monsignor Robert Aucoin, the Vicar of Education, have played an integral part in this plan and support us in our endeavors.

There are many advantages to this project:

- * **Newer Facilities**
- * **A safe campus and neighborhood**
- * **Convenience for families**
- * **A greater sense of community**
- * **A cohesive PreK-12 academic program**
- * **Opportunities for collaboration among students and staff**

There is tremendous support for this move. Our hope is that, with your assistance, we can finish the task at hand.

GREAT FUTURES

A CONSOLIDATION TO BENEFIT BOTH FAMILIES, FACULTY AND STUDENTS

"For I know the plans I have for you, declares the Lord, Plans to prosper you...Plans to give you hope and a future."

Jeremiah 29:11

Looking towards the future, there are many possibilities for IHC. A stronger academic program, a more unified school community, a sound financial plan, and most importantly, continued opportunity to share God's word with students and families who choose IHC.

Please consider helping our school prosper and continue God's plan.

**ONE FAITH ONE FAMILY
ONE SCHOOL**

OUR MISSION

"Immaculate Heart Central is a faith community whose mission is to provide a quality Catholic and secular education, to cultivate holiness based on the love and imitation of Christ, and to form responsible citizens whose Christian values will transform the world."

For over 100 years IHC has worked alongside the families in our community to educate their children and provide an environment rich in faith.

Although our school has evolved and changed over the years, our purpose has remained the same, to provide academic excellence while forming disciples of Christ. This campaign will ensure that our work endures for years to come. Our vision is to combine grades PreK-12 on the Ives Street campus creating one family and one school united in faith.
