We are modifying our PreK-12 enrollment process to make things easier for you. The new procedure is called "continuous Enrollment". This new process has already been put into place, and it means that you no longer have to complete the online enrollment process each year, **unless you have a new child entering the school in grades PreK-12.** This is a huge time-saver for you in future years and will help us be more efficient and fiscally responsive.
ALL CURRENT K-11 STUDENTS WILL BE AUTO-ENROLLED FOR THE 2027-2028 SCHOOL YEAR. No action is needed unless your child will NOT be returning next school year. In which case please notify the school.
