Bishop's Day

Every year Bishop LaValley instructs each diocesan school to take a day off when other districts would be in session. We call this day our Bishop's Day. Mrs. Mitchell and I discussed a good time to take this day and have decided that **Tuesday, May 27** would be the best time for this day. This is the day after Memorial Day. Therefore, there will be no school for students and staff on that day. We hope you all enjoy the long holiday weekend!

Race for Education Update

Thank you for your support and efforts with our first annual Race for Education. Our volunteers have been busy counting, organizing and tracking donations and we have raised **\$10,615** with 30 days to go. This means we have met our first School-Wide Challenge Goal! The students will have a school wide casual dress down day because we have met our first challenge goal. Mrs. Mitchell and I will coordinate when that dress down day will be.

Please help us get to our next goals:

\$20,000 Raised – Top Class at Each Building Silly Strings the Principal

\$25,000 Raised – SLIME the Principal!

\$30,000 Raised (Our Goal!) – Mrs. Mitchell gets to dump a bucket of ice water on Mr. Charlebois!
