IHC Youth Basketball ^[1]

Background

The IHC Youth Basketball Program was started in the Fall of 2010 to provide development opportunities for boys and girls in grades 3rd ? 6th. The program has been a huge success due to the support of volunteer coaches and parents who had the vision of creating a safe and fun environment for our kids to play basketball. Furthermore we saw the opportunity to improve the skill level of players that would allow them to be more competitive in our Junior ? Senior High School programs.

Mission

Provide development opportunities in the sport of basketball for all IHC students (boys and girls) in grades 3rd ? 6th. These opportunities include practices and league play (January ? March). Our program is built on 4 pillars: Safety, Respect, Learning, and Having Fun.***The program is free for all IHC students***
