

Immaculate Heart Central School

July 31, 2020

Dear IHC families,

At Immaculate Heart Central, we believe that we are always learning. It is our challenge to continuously learn not only who God is, but the wonder of His creation. We seek to foster in every person a desire to come to know God more, his revelation in creation, and his presence in salvation history. This is a challenge that will only end when we see God face to face. No matter what difficulties lie in front of us, it is incumbent on us to recognize that we are always in the process of learning. It is guided by this root belief that we present our reopening plan for the 2020-2021 school year.

It is not only the students who are always learning. This root belief applies just as much to the administration, faculty, and staff. This upcoming school year presents challenges that schools have never had to contend with. I am grateful for the faculty and staff who helped to create this reopening plan. A significant number of hours were spent and will continue to be spent planning for our reopening. There is no precedent for a reopening plan such as this. However, our priority in the plan is the safety of our students and to focus on our mission. We know the tremendous responsibility that is placed on us to keep your children safe and healthy. As always, we are thankful for you as we partner with you to bring each child to fullness of life in Christ.

“Trust in the Lord with all your heart, and do not lean on your own understanding. In all your ways acknowledge him, and he will make straight your paths.”

~Proverbs 3:5-6

Yours in Christ,
Daniel Charlebois
