IHC Family Referral Incentive Program

The IHC Family Referral Incentive Program offers a \$300 tuition credit for referring families who enroll children in Immaculate Heart Central School.

Last year, many families received the \$300 credit.

You are our best ambassadors, sharing positive experiences through simple word of mouth to families, friends, and colleagues.

We encourage you to spread the good news and refer families to IHC. If you refer a family or families who enroll students in IHC, you earn a \$300 tuition incentive credit, awarded in December. If the family enrolls mid-year, you still receive a pro-rated incentive.

Please help us share our pride with others! If you know of a prospective family who would benefit from learning more about IHC, please fill out and return the referral form on the opposite side.

For additional information: www.ihcschool.org

Description and Procedures

The **IHC Family Referral Incentive Program** awards current IHC families with a \$300 tuition credit for referring a family or families who enroll children in IHC in grades K-12.

For a current family to be eligible for the incentive:

- The current family has a child or children enrolled in IHC K-12.
- The current family refers by filling out and submitting the enclosed referral form. IHC will contact the prospective family. We also strongly encourage you to contact the prospective family!
- The prospective family must enroll at least one child in IHC in grades K to 12.

Other considerations:

- Tuition credits are awarded in December, and apply to the current school year
- Tuition credits are non-transferable and hold no cash value (unless the referring family's youngest child is in 12th grade, with all their tuition and fees paid).
- Tuition credits cannot be shared with other families.
- The referred family will identify the family to receive the credit.
- Referred families have not had students previously attend IHC.

Pro-rated incentives for families who enroll after the start of school:

- If a referred family enrolls after the start of the school year, the referring family still receives an incentive, reduced by \$50 for each month (for example, if the family enrolls their student in October, your incentive would be \$250 instead of \$300).

IHC Prospective Family Referral Form
