**IHC Family
Referral Incentive
Program**

**The IHC Family Referral Incentive Program
offers a \$2,000 tuition credit for referring
families who enroll children in Immaculate
Heart Central School!**

We encourage you to spread the good news and refer families to IHC. If you refer a family who enrolls a student(s) in IHC, you earn a \$2,000 tuition incentive credit, awarded in December if the family enrolls before August 1, 2019.

NEW THIS YEAR!

The New IHC family, in addition to the current IHC family, can get \$2,000 credit off their tuition as well!

Description and Procedures

The **IHC Family Referral Incentive Program** awards BOTH the current IHC family and the new IHC family with a \$2,000 tuition credit for the referral of the new family who enroll children in IHC in grades K-12.

For a current family to be eligible for the incentive:

- The current family has a child or children enrolled in IHC K-12
- The prospective family must enroll at least one child in IHC in grades K to 12 before August 1, 2019

Other considerations:

- Tuition credits are awarded in December to apply to the current school year for 2nd semester
- Tuition credits are non-transferable and hold no cash value
- Tuition credits cannot be shared with other families
- The referred family will identify the family to receive the credit
- Tuition Assistance Program and Referral Program cannot be used together, so family must choose which financial benefit suits their need the best

If already registered, you cannot be referred after the effective date of the program.

Approval of IHC Family Referral Incentive Program for a family is not guaranteed.
